# Guide to Farm Fresh Products

Farms 🍀 Stores

Farmers Markets 🍀 Pick-Your-Own

[www.GreeneTourism.com](http://www.GreeneTourism.com)

Hudson Valley/Catskill Regions

Welcome to Greene County, one of America's breadbaskets since the early 1800's.

We invite you to come and pluck fruit right out of the trees, pick-your-own vegetables, shop at a farmstand for baked goods and unique gift items and find restaurants that serve seasonal specialties from fresh fish to venison and duck.

Come spend your vacation at a family farm or camp near the shores of pristine lakes. Enjoy a spa hotel or the intimate luxury of a bed/breakfast or country inn. Whatever your needs, preference or budget, Greene County can provide it.

And don't miss out on some really fun events like TAP NY and the Microbrew, Wine & Food Festival at Hunter Mountain, the Apple Harvest Festival in Cairo and the Catskill Mountain Ginseng Festival in the village of Catskill.
